12. [REDACTED] GLC) Attempted several times to reach Mr. Michaels of the staff of House Appropriations to brief him on contacts which will be made with him by representatives of the Department of the Interior regarding some aspects of their budget presentation and its relationship to a sensitive Agency program. We will try to reach Mr. Michaels again tomorrow.

13. [REDACTED] GLC) Attempted to see Senator Edward W. Brooke, and in his absence, spoke with his Administrative Assistant concerning a visit to the Agency. I learned that John Jackson, former staff assistant to Senator Saltonstall who had been with Senator Brooke on a temporary basis is now on the staff of Representative Hastings Keith. Senator Brooke's Administrative Assistant said he would mention our offer to the Senator again. (I mentioned in passing that Senator Percy had visited us and seemed to have been quite pleased with the briefing given him. Senator Percy and Senator Brooke have the same committee assignments.)

14. [REDACTED] LLM) Met with William Woodruff, Assistant Chief Clerk, Senate Appropriations Committee, to show him a follow-up report prepared by [REDACTED] on Senator Russell's earlier inquiry on ChiCom's pilfering of Soviet missiles. Woodruff thanked us for the follow through on this and the report was returned. (See attached Addendum to the Journal.)
